8) A statement showing the rates proposed by the several District Boards for issue of licenses is submitted for perusal. Sections 52, 54 and 55 are the only sections which authorise the District Boards to issue licenses and the proposals received under each Section are noted in the following paragraphs:-

I. Section 51.

9. The Chitaldrug District Board is the only Board that has proposed the levy of a license fee at Rs. 5/- for this purpose. Under this Section permission may be given for ~~xx~~ the temporary occupation or use of any road or land vested in the Board for the erection of pendals. No license is required for this purpose -- under this Regulation and no fee need be prescribed by Government. The finances of the Boards not being -- generally satisfactory, fees may be required for permissions under this section in all the Districts. The fee may perhaps be proportional to the total area -- occupied and the time during which the occupation is made, and it may be levied at not less than one anna for every 50 square yards for each day. ~~The rate~~ The maximum rate charged in ~~Bangalore~~ Mysore X City is ~~one~~ eight annas for every ~~50~~ Sq. yards a day. 150 sq ft for a period of 15 days. and only rates are charged after 15 days.

* Page 87 of the Mysore city byelaws.

III. Section 52.

10. This section relates to the passage of unwieldy traffic on District Fund Roads. The Chitaldrug District Board ~~that has~~ proposed the levy of a fee under this Section namely Rs. 10/-. The Motor Vehicles Regulations and the rules thereunder contain necessary provisions for this purpose and seem to be sufficient for the present. The proportionate income realised from

WD 01684—GPB—30.000—20-4-29

issue of permit fees for running of motor busses is credited to the District Boards. No separate license fee in this case appears therefore necessary for the present.

III. Section 54.

11. Under this Section licenses may be granted for the following purposes;--

(1) Markets,

(2) Salughter-houses,

(3) Public Cart-stands, and

(4) Public Ferries.

12. Markets;--As regards private markets, a separate set of rules has been drafted and submitted for orders. The file is now before the Second Member.

13. Slaughter houses:-With regard to salughter houses, the Chitaldrug District Board proposes a fee of Rs. 10/- while those of Bangalore and Hassan propose the rates of 2 annas for each sheep and 4 annas each for other animals. The levy of fees on the number of animals salughtered is not feasible. A uniform fee of Rs. 10/- a year may perhaps be prescribed for all the Districts

14. Public Cart-stands. The District Board of Chitaldrug propose a fee of Rs. 5/- while those of Hassan and Bangalore propose Rs. 10/- to Rs. 20/- per annum at the discretion of the President according to dimensions. A uniform rate of Rs. 5/- a year may perhaps be fixed for each public cart-stand.

15. Public Ferries:- A fee of Rs. 10/- is proposed by the Chitaldrug District Board while a fee of Rs. 5 /- to Rs. 20- is proposed by the Bangalore and Hassan District Boards. The other District Boards have not proposed any fees. A list of the ferries to be licensed may be

called for from the Deputy commissioner and the Licence fee for meat may be enhanced maybe fixed commensurate if it is desirable to license any ferries.

IV. Section 55.

16. The issue of licenses under this Section is subject to the provisions of the Village Panchayet Regulation. Under G.O. No. 4666-88/L.B. 26-26-137, dated the 19th January 1927 Village Panchayets have been given power to issue licenses for the following purposes, but no license fees are leviable under the rules:-

1. Sale of meat.
2. Salting, curing or storing fish.
3. Boiling or storing offal blood, bones of rags.
4. Storing hides, horns, skins, ~~or organic manure~~.
5. Melting tallow or sulpher.
6. Washing or drying wool or hair.
7. Dyeing.
8. Brick, pottery or lime burning.

17. If these items enumerated above are excluded the only items which require licenses from District Boards under ~~Section~~ Schedule II of the District Boards' Regulation are following:-

1. Tanning,
2. Manufacture of leather or leather goods.
3. Soap Manufacturing.
4. Boiling, pressing, cleaning, preparing or manufacturing by any process whatever, oil
5. Manufactory of sago.
6. Distillery.
7. Storing hay, straw, fodder, wood coal or othe cumbustible materials.
9. Manufactory or place of business of any other kind from which offensive or unwholesome smells, fumes or dust arise or which may involve risk of fire.

18. The District Boards of Bangalore and Kolar have framed necessary bye-laws for control of the tanning industry. For tanning a license fee of Rs. 25/- is proposed by the Kolar District Board while the District Board of Bangalore propose a fee of Rs. 10/- to Rs. 25/-.

(Page 30 V. P. Manuscript)

8. Storing organic manure.

WD 01684—GPB—30,000—20 4 39

Serial No.

Those of Mysore, Hassan and Kadur propose Rs. 10/- and those of Chitaldrug and Shimoga propose Rs. 5/-. A uniform rate of Rs. 15/- a year may perhaps be fixed for tanning for all Districts.

19 With regard to the other items the fees proposed are very divergent.

The District Board of Bangalore is not in favour of a levy ~~for~~ on certain items. In view of the fact that in course of time these items also will have to be left to the control of the Village Panchayets and that the levy will be felt as a burden by the rural population, no license fee may perhaps be prescribed in these - - cases.

To

R. Ranga Rao, Esq., B.A., B.L.,
General Secretary to the Government
of Mysore, Bangalore.

Sir,

With reference to your letter No.L.5734-41/ dated the 16th February 1927 calling for suggestions as to the rates of fees to be charged for licenses issued by the District Board under Section 56(2) of the District Board Regulation, I have the honour to enclose herewith an extract from the resolution of the Bangalore District Board and to state as follows.-

2. The District Board has confined its attention only to slaughter houses, cart stands, etc., referred to in Section 54(2) of the District Board Regulation. Under Section 55 certain other items of trade or profession enumerated in Schedule II have also to be licensed by the Board, and a scale of fees has therefore to be fixed. But the Board has not taken this into account.

3. Further the fees proposed by the Board for slaughter of animals is apparently the one charged by the licensee for the slaughter of animals in the slaughter house, and not the fee that he will have to pay to the Board.

4. With regard to the others only the maxima and minima have been indicated within which the President might at his discretion assess. I think a sliding scale depending upon the volume of trade, or work done might be adopted.

5. As the resolution of the District Board is thus defective and incomplete, I am asking the President to send up complete proposals covering all matters, and on receipt of his

reply

reply a further report will be submitted to Government.

I have the honour to be,
Sir,
Your most obedient servant,

Dear Sir,

With reference to your letter No.L 645/ dated 22nd July 1929 regarding the rates of fees to be charged for licenses to be issued by the District Board, I write to invite your kind reference to this office letters Nos. A 361-1022/27-28 dated 27th July 1929, 20th December 1928 and 2nd May 1929 intimating that the matter is before the Board for consideration. The Board is likely to meet in the latter part of August 1929 when the subject will again be placed for their consideration. The Board have already fixed the rates for certain items in ~~new~~ their meeting held on 14th June 1927 a copy of which is enclosed. There are very few items on which rates have to be fixed, as such the matter is being deferred. If the Government were to consider that the matter cannot be delaye till the resolution of the Board is obtained in the matter, a sliding scale of fees may be fixed by Government which will be adopted by the Board.

Yours sincerely,

PROCEEDINGS OF THE GOVERNMENT H.H.
THE MAHARAJA OF MYSORE.

R e a d:-

Letter No.5734-41 dated 16th Feb: 1927 requesting the Deputy Commissioners of Dts. to suggest in consultation with the District Boards or their Presidents the rates at -- which fees may be levied for each of the -- purposes for which licenses are given by the District Boards under the Mysore District Boards' Regulation.

2. Replies received from the Deputy Commissioners in the matter.

ORDER NO.L. 4657-68 / L.B.129-29-10 Dec.

Dated, Bangalore, the 20th November 1929.

After a careful consideration of the suggestions received, Government are pleased to pass the following order in regard to the levy of fees for licenses issued under the District Boards Regulation.

2. The Chitaldrug District Board is the only Board that has proposed the levy of a license fee of Rs.5/- for permissions granted under section 51 of the Regulation. Under this section permission may be given to the temporary occupation or use of any road or land vested in the District Board for the erection of pendals No license is required for this purpose under the Regulation and no license fee

fee can be prescribed for the purpose. As the finances of the District Boards require improvement, Government consider that the District Boards may charge rent for the occupation or use of the road of land vested in the Boards at a rate which is not less than one anna for every 50 square yards for each day for which the land is used or occupied.

3. Under Section 52 of the District Board Regulation licenses may be issued for the passage of unwieldy traffic on District Fund Roads. The Chitaldrug District Board has proposed the levy of a fee of Rs.10/- under this Section. The Motor Vehicles Regulation and the rules thereunder contain necessary provision for this purpose and the proportionate income realised (of permit fees for running) issue of motor buses is credited to the District Boards. In these circumstances, Government consider that no separate license fees need be fixed for this purpose for the present.

4. Under Section 54 of the Regulation licenses may be granted for the following purposes:-

1. Markets.
2. Slaughter houses.
3. Public cart-stands &
4. Public Ferries.

In rules 5 & 6 issued with Notification No.L 3253 LB 50-29-3 dated 7 — 11-1929 for the control of private markets, the license fee to be levied in respect of markets —

markets has been prescribed. As regards slaughter houses, the Chitaldrug District Board proposes a fee of Rs.10/- while those of Bangalore and Hassan propose the rates of 2 annas per sheep and 4 annas each for other animals. Government consider that the levy of fees on the number of animals slaughtered is not feasible and that for this purpose a fee of Rs.10/- a year may be prescribed for all District ~~Boards~~. With regard to "cart-stands", the Chitaldrug District Board has proposed a license fee of Rs.5/- a year while those of Bangalore and Hassan propose Rs.10/- to Rs.20/- per --- annum at the discretion of the President according to dimensions. Government consider it sufficient to prescribe a uniform fee of Rs.5/- a year for each cart-stand licensed by the District Boards. ~~Carts stand~~ As regards public ferries, the Chitaldrug District Board has proposed a fee of Rs.10/- while the Bangalore and -- Hassan District Boards have propose a fee of Rs.5/ to Rs.20/-. The other District Boards have not proposed any fees. Before fixing any fees, Government consider it -- desirable to have a list of ferries to be licensed by each District Board with the rate of fees proposed to be charged in each case. The Deputy Commissioners are requested to furnish the information very early.

5. Under Section 55 of the Regulation the issue of licenses is subject to the --- provisions of the Village Panchayet Regulation. Under G.O.No.L.4666-88/L.B.26-26-137 dated 19th January 1927. Village Panchayets

Panchayets have been empowered to issue -- licenses for the following purposes and no fees are leviable by ~~District Board~~ the Village Panchayets under the rules in these cases:-

1. Sale of meat.
2. Salting, curing or storing fish.
3. Boiling or storing offal, blood, bones or rages.
4. Storing hides; horns & skin.
5. Melting ~~T~~allow or ~~S~~alph~~ur~~.
6. Washing or ~~dyeing~~ drying wool or hair.
7. Dyeing.
8. Brick, pottery or lime burning.

6 The ~~other~~ items ~~purposes~~ which require licenses from District Boards under schedule II of the District Boards' Regulation are~~:-~~

1. Tanning.
2. Manufacture of leather or leather goods.
3. Soap manufacturing.
4. Boiling, pressing, cleaning, preparing or manufacturing by any process whatever, oil.
5. Manufactory of sago.
6. Distillery.
7. Storing hay, straw, fodder, wood, coal or other cumbustible materials.
8. Storing organic manure.
9. Manufactory of place of business of any other kind from which offensive or unwholesome smells, fumes or dust arise, or which may involve risk of fire.

7. The District Boards of Bangalore and Kolar have framed bye-laws for control of the tanning industry. For tanning a license fee of Rs.25/- is proposed by the Kolar -- District Board while ~~those~~ the Boards of other Districts except Tumkur propose a fee ~~of~~ ranging from Rs.5/- to Rs.25/-. Government consider that a uniform fee of Rs.15/-a year is sufficient.

~~levied~~

~~levied for this purpose.~~

8. With regard to the fees leviable for the remaining purposes, the opinions of the several ~~Departments~~ District Boards are divergent and the Board is not in favour of levy of fees in certain cases. In view of the fact that in course of time the control of these items will have to be handed over to Village Panchayets and the levy of a fee will be felt as a burden by the rural population, Government direct that no license fee be levied in these cases for the present.

9. A separate notification will issue prescribing the rates of fees approved above.

Letter No. 5734-41, dated 16th February 1927, requesting the Deputy Commissioners of Districts to suggest in consultation with the District Boards or their Presidents the rates at which fees may be levied for each of the purposes for which licenses are given by the District Boards under the Mysore District Boards Regulation.

2. Replies received from the Deputy Commissioners in the matter.

ORDER NO. L. 4651-68—L. B. 129-29-10, DATED 20TH DECEMBER 1929.

After a careful consideration of the suggestions received, Government are pleased to pass the following orders in regard to the levy of fees for licenses issued under the District Boards Regulation.

2. The Chitaldrug District Board is the only Board that has proposed the levy of a license fee of Rs. 5 for permissions granted under section 51 of the Regulation. Under this section permission may be given to the temporary occupation or use of any road or land vested in the District Board for the erection of pendals. No license is required for this purpose under the Regulation and no license fee can be prescribed for the purpose. As the finances of the District Boards require improvement, Government consider that the District Boards may charge rent for the occupation or use of the road or land vested in the Boards at a rate which is not less than one anna for every 50 square yards for each day for which the land is used or occupied.

3. Under section 52 of the District Board Regulation licenses may be issued for the passage of unwieldy traffic on District Fund Roads. The Chitaldrug District Board has proposed the levy of a fee of Rs. 10 under this section. The Motor Vehicles Regulation and the Rules thereunder contain necessary provision for this purpose and the proportionate income realised by issue of permit fees for running motor buses is credited to the District Boards. In these circumstances, Government consider that no separate license fee need be fixed for this purpose for the present.

4. Under Section 54 of the Regulation licenses may be granted for the following purposes:—

1. Markets.
2. Slaughter houses.
3. Public cart-stands, and
4. Public Ferries.

In Rule 5 of the Rules issued with Notification No. L. 3253—L.B. 50-29-3, dated 7th November 1929, for the control of private markets, the license fee to be levied in respect of markets has been prescribed. As regards slaughter houses, the Chitaldrug District Board proposes a fee of Rs. 10 while those of Bangalore and Hassan propose the rates of 2 annas per sheep and 4 annas each for other animals. Government consider that the levy of fees on the number of animals slaughtered is not feasible and that for this purpose a fee of Rs. 10 a year may be prescribed for all Districts. With regard to "cart-stands," the Chitaldrug District Board has proposed a license fee of Rs. 5 a year while those of Bangalore and Hassan propose Rs. 10 to Rs. 20 per annum at the discretion of the President according to dimensions. Government consider it sufficient to prescribe a uniform fee of Rs. 5 a year for each cart-stand licensed by the District Boards. As regards public ferries, the Chitaldrug District Board has proposed a fee of Rs. 10 while the Bangalore and Hassan District Boards have proposed a fee of Rs. 5 to Rs. 20. The other District Boards have not

proposed any fees. Before fixing any fees, Government consider it desirable to have a list of ferries to be licensed by each District Board with the rate of fees proposed to be charged in each case. The Deputy Commissioners are requested to furnish the information very early.

5. Under section 55 of the Regulation the issue of licenses is subject to the provisions of the Village Panchayet Regulation. Under Government Order No. L. 4666-88—L. B. 26-26-137, dated 19th January 1927, Village Panchayets have been empowered to issue licenses for the following purposes and no fees are leviable by the Village Panchayets under the rules in these cases:—

1. Sale of meat.
2. Salting, curing or storing fish.
3. Boiling or storing offal, blood, bones or rags.
4. Storing hides, horns and skin.
5. Melting tallow or sulphur.
6. Washing or drying wool or hair.
7. Dyeing.
8. Brick, pottery or lime burning.

6. The items which require licenses from District Boards under Schedule II of the District Boards Regulation are:—

1. Tanning.
2. Manufacture of leather or leather goods.
3. Soap manufacturing.
4. Boiling, pressing, cleaning, preparing or manufacturing by any process whatever, oil.
5. Manufactory of sago
6. Distillery.
7. Storing hay, straw, fodder, wood, coal or other cumbustible materials.
8. Storing organic manure.
9. Manufactory or place of business of any other kind from which offensive or unwholesome smells, fumes or dust arise, or which may involve risk of fire.

7. The District Boards of Bangalore and Kolar have framed bye-laws for control of the tanning industry. For tanning a license fee of Rs. 25 is proposed by the Kolar District Board while the Boards of other Districts except Tumkur propose a fee ranging from Rs. 5 to Rs. 25. Government consider that a uniform fee of Rs. 15 a year is sufficient.

8. With regard to the fees leviable for the remaining purposes, the opinions of the several District Boards are divergent and the Bangalore District Board is not in favour of levy of fees in certain cases. In view of the fact that in course of time the control of these items will have to be handed over to Village Panchayets and the levy of a fee will be felt as a burden by the rural population, Government direct that no license fee be levied in these cases for the present.

9. A separate notification will issue prescribing the rates of fees approved above.
